THE DALMORE CONSTELLATION COLLECTION

The Dalmore Constellation Collection brings together, for the first time, a spectrum of vintages created at the iconic Dalmore Highland distillery between the years 1964 and 1992.

Initially consisting of 21 individual releases, these magnificent, bold whiskies have spent their lives inessing in the finest casks from around the world. Bottled at natural cask strength and at natural colour they have ensured that none of the collection's character has been diluted.

This refinement is matched by their presentation in hand-blown crystal decanters each engraved by hand and adorned with a solid silver stag, each decanter is as unique as the spirit within.
